KAE

15 years of excellence

Launched 15 years ago as an entirely Emirati owned company, KAE has now established itself as highly-reputed contracting trading and services company specialising in Landscaping, Irrigation, Pest Control and trading in products for the agriculture industry.

Our approach has to been to protect and nurture the environment, the communities and our clients and partners through the use of eco-friendly and sustainable practices, products and methods which are safe for the environment and for our customers in particular.

To ensure we offer the highest standards of quality, service and know-how to our clients and partners, we are fully certified to leading global standards for operational quality, efficiency and safety.

ABOUT US

Our professional standards and adherence to quality in all aspects of our operations hae built a strong reputation for our company in the country. With a highly-trained team of technicians, engineers and workers we always strive to achieve excellence in our work and to maximise customer satisfaction at all levels.

VALUES

Vision

To be a leading provider of services and solutions in Landscaping, Pest Control & Agricultural products Trading.

Mission

To continuously excel in our quality control and customer service and offer the best value and quality products to our customers and clients.
